

A NEW KIND OF TOURNAMENT

SEPTEMBER
22-23, 2007

FUN FORMAT FITA — The Shut Up and Shoot event is designed for those who just want a weekend full of flinging arrows and fun.

- We will shoot 7 arrow ends and score the top 6 arrows (long distances), and 4 arrow ends scoring the top 3 (short distances). Think of the extra arrows as mulligan's... we've all wanted them, now you get them.
- There will be no scopes allowed on the line. You can have your scope behind the line... and you can check it during shooting or after the end is over, but when you're on the line... you're just there to shoot.
- We're going to shoot the short half first so that Day 2 is a little more up for grabs.
- Archers and the Peanut Gallery are actively encouraged to "help." Folks from behind the line can call arrows for you or trash talk (within decency). In fact, you can talk or tease while you are on the line. BRING IT ON BABY!
- Music... if we can figure out how to have music going during the event (and yes, we mean during shooting)... we're going to do it. In fact, bring your own boom box and let's turn them all on at the same time! Hopefully we can agree on one station.
- No dress code... You want to shoot in bathing suit or camo... then by all means, be our guest. Just please, try to be somewhat respectful. Spandex and Speedos just really shouldn't be worn by some people in public. I think we'll give a prize to the best outfit (again, within decency).
- 2 divisions – Compound and Recurve. The distances for each age group and M/F will be respected, but when it comes time for awards... all we're looking at are scores and Compound/Recurve. No other division separation. 1st-5th So, if a JOAD Compound Female archer shoots a 1350 at her appropriate distances, then Compound Male 50+s, you guys better buck up or you're going to finish 2nd.

SCHEDULE:	SATURDAY	SEPTEMBER 22	SUNDAY	SEPTEMBER 23
	9:00-9:30	Check in and set-up	9:00-9:30	Check in and set-up
	9:30-10:00	Practice	9:30-10:00	Practice
